

OBJECTIVE

Highly skilled Senior Quality Controller with over **6 years** of experience in the publishing industry. My career objective includes my passionate pursuit of professional excellence and also continuously learning new skills for personal development. To be supportive, collaborative and an integrating force amongst the people I work with is how I define my road map of career excellence.

EXPERIENCE

2021 - PRESENT

Integra Software Services | Puducherry

Sr. Quality Controller

- Implementing and overseeing quality assurance processes to ensure that all materials (print and digital) meet the required standards. This involves creating and maintaining checklists and guidelines for various stages of the publishing process.
- Ensuring the quality of the product by identifying and reporting issues, validating fixes in Jira, and verifying that the product meets the customer requirements.
- Keeping detailed records of the quality control process, including any issues identified, changes made, and final approvals.

2018 - 2021

Lumina Datamatics | Puducherry

Quality Controller

- Followed quality standards and procedures to minimize errors and maximize customer satisfaction.
- Ensuring the consistency in style, tone, and adherence to the customers guidelines.
- Conducting meticulous proofreading to catch and correct any mistakes that may have been missed during the initial editing phases. This includes verifying spelling, punctuation, and overall readability.

TECHNICAL SKILL

- **Programming Language:** HTML, CSS, XML
- **Special software:** Jira Software
- **Operating System:** Windows (7, 8, 9, 10 & 11), macOS (Monterey, Ventura & Sonoma)
- **Microsoft 365:** Word, Excel, Power point
- **Area of Interest:** Quality Controller, Quality Assurance, Project Management

CERTIFICATION

- Certified Typewriting English - Junior Grade [Feb 2014]
